2015 Application Essay**

Please select one of the four topics below on which to write an essay. The essay should not exceed 1,000 words in length.

1. As you reflect back on your time at Wheaton North High School, please identify one part of your life there that you would have done differently, and think about how continuing your education would allow you to make those changes.
2. If you are happy with the person you are, please tell us about who you are, and how you believe continuing your education will build on and improve that person.
3. If you are not happy with the person you are, please tell us about the person you would like to be and how you think continuing your education will help you become that person.
4. I you think – this is crazy, I’m still a teenager and I don’t know what I’m looking for, tell us what you imagine the ideal you would be in two to four years, and how you could use continuing education to become that person.
5. Write your own essay question and answer it (demonstrating why you should receive the Alumni Association scholarship).
